Just Be Held

Casting Crowns

Hold it all together
Everybody needs you strong
But life hits you out of nowhere
And barely leaves you holding onAnd when you're tired of fighting
Chained by your control
Theres freedom in surrender

Lay it down and let it goSo when you're on your knees and answers seem so far away

You're not alone, stop holding on and just be held Your worlds not falling apart, its falling into place Im on the throne, stop holding on and just be held

Just be held, just be held

If your eyes are on the storm

You'll wonder if I love you still

But if your eyes are on the cross

You'll know I always have and I always willAnd not a tear is wasted

In time, you'll understand

Im painting beauty with the ashes

Your life is in My handsSo when you're on your knees and answers seem so far away

You're not alone, stop holding on and just be held

Your worlds not falling apart, its falling into place

Im on the throne, stop holding on and just be held

Just be held, just be heldLift your hands, lift your eyes

In the storm is where you'll find Me

And where you are, Ill hold your heart

Ill hold your heart

Come to Me, find your rest

In the arms of the God who wont let go

So when you're on your knees and answers seem so far away

You're not alone, stop holding on and just be held

Your worlds not falling apart, its falling into place

Im on the throne, stop holding on and just be held

Just be held, just be held
