## **Only Time Will Tell**

## **Asia**

You're leaving now it's in your eyes There's no disguising it It really comes as no surprise To find that you planned it all along

I see it now

becomes so clear

Your insincerity

And me all starry eyed

You think that I would have known by nowNow - sure as the sun will cross the sky

This lie is over

Lost - like the tears that used to tide

Me over

(Only time will tell)

One thing is sure

That time will tell

(Only time will tell)

If you were wrong

The brightest ring around the moon

Will darken when I dieNow - sure as the sun will cross the sky

The lie is over

Gone - like the tears that used to tide

Me overYou're leaving now

it's in your eyes

There's no disguising it

It really comes as no surprise

To find that you planned it all along

(Only time will tell)

I see it now

Becomes so clear

(Only time will tell)

Your insincerity

And me all starry eyed

You think that I would have known by nowNow - sure as the sun will cross the sky

This lie is over

Lost - like the tears that used to tide

Me over

(Over, over, over)...(Only time will tell)

You're on your own

Inside your room

(Only time will tell)

You're claiming victory

## You were just using me And there is no one you can use now(Only time will tell) One thing is sure That time will tell
