

# Can't Leave 'Em Alone (feat. 50 Cent)

50 Cent, Ciara  
I'm focused man  
You should know this man Yes, one dose of me will have you addicted  
To know me is to love me I handle my business  
Any city any town, touch down I do my thing  
I'ma hustler baby I provide by any means I'ma great conversationalist, you should know what  
I'm about  
When you look at me baby you should see a way out  
Out the hood, out the drama, out the Bentley it's on  
Out the headache and stress you done been through before It's only been three months an I  
already got it bad  
So hood that I keep on comin' back  
My girlfriends tellin' me I don't know how to act  
But I'm tellin' them baby bye fall back  
He's so good and he knows how to love me  
But so hood and he's so heavy in the streets  
He's my dude and you betta get used to things  
And I don't care what you say about me, they say That he does it with the best, runs a lil' less  
Tatted on his chest, I like it, so what, I like it  
And they say that he's gonna hurt me, just wait and see  
But they don't know me 'cause I am what he wants, his girl and I love it I can't leave 'em alone  
I tried that good boy game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone I can't leave 'em alone  
I tried that game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone  
See when I had a good guy he didn't do that much for me  
Tried to be hard but that he can neva be  
Always tell me that no one could compared to me  
But couldn't handle it when other guys was starin' at me Now the time plays back so everyone  
could look at me  
From the A to hills up in Beverly  
He's so fly that he knows how to carry me  
First class when they talk we don't hear what they say That he does it with the best, runs it in the  
west  
Tatted on his chest, I like it, so what, I like it  
And they say that he's gonna hurt me, just wait and see  
But they don't know me 'cause I am what he wants, his girl and I love it I can't leave 'em alone  
I tried that good boy game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone I can't leave 'em alone

I tried that game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone  
The more I get the more my ambition tell me there's  
more  
I'll move a A for that girl, I'll move ahead for that boy  
Then I flip that double up, kick back, cuddle up  
Ya friends trying to confuse you but you know what?  
My intentions are good, I can't help it I'm  
hood  
I wouldn't change if I could, you shouldn't tell me I should  
Baby you should take me as I am  
And be happy you're my girl 'cause I'm happy I'm your man  
I can hear your call, it just takes one  
call  
I'll come running, boy I promise I will be there for you  
All my heart it belongs to you  
I can't lose you, yeah, boy I just can't leave you alone  
I can't leave 'em alone  
I tried that good boy game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone  
I can't leave 'em alone  
I tried that game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone  
I can't leave 'em alone  
I tried that good boy game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone  
I can't leave 'em alone  
I tried that game but the dope boy's turning me on  
It's just that he know what I want  
So bad, I love that, I can't leave 'em alone
