

Balans (feat. Mohombi)

Alexandra Stan

Uuh, mamachula
Mamachula
Balans!
Uuh, mamachula
Mamachula
Balans!
Oh, tonight is excitement
Ultraviolet, feel the beat of my heart
So flirtatious, I'm anxious
Show me baby, work me like I'm your job
Put your body on my body, put your hand in mine
When you're ready, say you're ready
You can get it tonight
Everybody in the party wanna do it now
Hey now, hey now!
Let's play!
Oh, follow the leader
Sexy, sexy, bam-ballerina
Oh, balans, can you?
Oh, balans, baby
Oh, woek for me harder
Oh, sexy sexy, dirty La bamba
Oh, balans, can you?
Oh, balans
Uuh, mamachula
Mamachula
Balans!
Uuh, mamachula
Mamachula
Balans!
Take me higher, your highness
Don't be shy, just give me, give me good love
Baby, light the fire, uuh, explosive
And you know it, every time that we touch
Put your body on my body, put your hand in mine
When you're ready, say you're ready
You can get it tonight
Everybody in the party wanna do it now
Hey now, hey now!
Let's play!
Oh, follow the leader
Sexy, sexy, bam-ballerina

Oh, balans, can you?
Oh, balans, baby
Oh, woek for me harder
Oh, sexy sexy, dirty La bamba
Oh, balans, can you?
Oh, balans
Uuh, mamachula
Mamachula
Balans!
Uuh, mamachula
Mamachula
Balans!
Can I get some? I want to
Baby, don't run, I'ma catch you
Really really love to watch your dirty dance
Dirty dance for me
Looking at me straight in the eye
Never get you right on my side
I really really love it when you do your dirty dance
Dirty dance for me!
Put your body on my body, put your hand in mine
When you're ready, say you're ready
You can get it tonight
Everybody in the party wanna do it now
Hey now, hey now!
Let's play!
Oh, follow the leader
Sexy, sexy, bam-ballerina
Oh, balans, can you?
Oh, balans, baby
Oh, woek for me harder
Oh, sexy sexy, dirty La bamba
Oh, balans, can you?
Oh, balans
Uuh, mamachula
Mamachula
Balans!
Uuh, mamachula
Mamachula
Balans!
