

# Heart Attack

## Trey Songz

Turn the lights on! Oh wo-oh, oh wo-oh We share something so common  
Still so rare, and I'm in awe  
Never been here before  
So high, we're still climbing  
Even here inside these walls  
Breaking each other's hearts  
And we don't care 'cause we're so.....In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack  
It's killing me, swear I never cried so much  
'Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had  
Turn the lights on!  
Oh wo-oh, never never never knew love (oh wo-oh) would hurt this fuckin' bad  
The worst pain that I ever had All the times when I know I should be smiling  
Seem to be the time that I frown the most  
Can't believe that we're still surviving  
'Cause I'm slowly breaking down  
Even when I hold you close  
And if I lose you  
I'm afraid I would lose who  
Who I gave my love to  
That's the reason I stay around  
Even though I fell way...In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack (oh and it's killing me)  
It's killing me, swear I never cried so much  
'Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had  
Turn the lights on!  
Oh wo-oh, never never never knew love (oh wo-oh) would hurt this fuckin' bad  
The worst pain that I ever had And it hurts  
'Cause I wanna leave, and you wanna leave  
But the love keeps us together And if I lose you  
I'm afraid I would lose who  
Who I gave my love to  
That's the reason I stay around  
Even though I fell way...  
...In too deep, can't think about giving it up  
But I never knew love would feel like a heart attack  
If I knew id feel like this man  
It's killing me, swear I never cried so much  
'Cause I never knew love would hurt this fuckin' bad  
The worst pain that I ever had

If I knew id feel like this man  
Oh wo-oh, never never never knew love (oh wo-oh) would hurt this fuckin' bad  
The worst pain that I ever had
