Spittin' Game

Anthony David

I can walk on air, I can walk on fire
I'll do anything against you, baby
I give you what you need and what you desire
I make your every waken thought about me, yeahI can be your superman lover
(Girl, girl, girl)

It's on your Monday morning blue And two and Friday night and partyI'll take my time with you

You give me time to groove

Everything I want and more

Let's explore and I'm sure thatI can do it with my eyes closed

'Cause I know how to treat a woman

With my hands behind my back

I can keep the good loving coming

Didn't you think that I know

How to touch you the right way?

I do it with my eyes closed

Don't you ever forget itWhat's good for the soul is good for the body

So let me satisfy your spirit, baby

I keep it on the low, I ain't telling nobody

But it ain't my fault if the neighbors hear it, babyGuarantee to ease your mind

Sooth your backbone and your spine

That's the plan that I've designed

And you won't regret it'Cause girl, I want your love so bad

I can taste it

A golden opportunity

So don't you waste it

I can do it with my eyes closed

'Cause I know how to treat a woman

With my hands behind my back

I can keep the good loving comingDidn't you think that I know

How to touch you the right way?

I do it with my eyes closed

Don't you ever forget itI can do it with my eyes closed

'Cause I know how to treat a woman

With my hands behind my back

I can keep the good loving comingDidn't you think that I know

How to touch you the right way?

I do it with my eyes closed

Don't you ever forget it
