

# Lost (Instrumental)

Roger Sanchez

I saw a picture yesterday  
You know the one we were laughing in the rain  
Remember how it used to be ?  
(We were so in love)  
Remember when you were still in love with me? But you turned away  
(You turned away)  
And I start to cry  
I'm lost without your love  
And I won't survive Don't leave me  
Alone tonight  
I'm lost without your love  
And I won't survive  
Don't leave me  
'Cause I won't survive  
I'm lost without your love  
And I won't survive I can't believe that we are through  
Is it someone else  
Have you found somebody new  
'Cause I die inside  
Every time I close my eyes  
And imagine myself living without you But you turned away  
And I start to cry  
I'm lost without your love  
And I won't survive Don't leave me  
Alone tonight  
I'm lost without your love  
And I won't survive  
Don't leave me  
'Cause I won't survive  
(No, no, no, no)  
I'm lost without your love  
And I won't survive You turned away  
And I start to cry  
I'm lost without your love  
And I won't survive But you turned away  
And I start to cry  
I'm lost without your love  
And I won't survive  
(No, no, no) Don't leave me  
Alone tonight  
I'm lost without your love  
And I won't survive

(I wont survive)Don't leave me  
Alone tonight  
(Alone tonight)  
I'm lost without your love  
And I won't survive  
(Don't leave me)I'm lost without your love  
(I'm lost without your love  
And I wont survive)  
Don't leave me  
Don't leave me here all aloneI'm lost  
I'm lost
