## Chicago

## **Graham Nash**

So your brother's bound and gagged and they've chained him to a chair
Won't you please come to Chicago just to sing
In a land that's known as freedom how can such a thing be fair
Won't you please come to Chicago for the help that we can bringWe can change the world
Rearrange the world

It's dying

To get betterPoliticians sit yourselves down there's nothing for you here

Won't you please come to Chicago for a ride

Don't ask Jack to help you 'cause he'll turn the other ear

Won't you please come to Chicago or else join the other side (We can change the world)

Yes we can change the world

(Rearrange the world)

Rearrange the world

(It's dying)

If you believe in justice

(It's dying)

If you believe in freedom

(It's dying)

Let a man live his own life

(It's dying)

Rules and regulations who needs them

Open up the doorSomehow people must be free I hope the day comes soon

Won't you please come to Chicago show your face

From the bottom of the ocean to the mountains of the moon

Won't you please come to Chicago no one else can take your place (We can change the world)

Yes we can change the world

(Rearrange the world)

Rearrange the world

(It's dying)

If you believe in justice

(It's dying)

If you believe in freedom

(It's dying)

Let a man live his own life

(It's dying)

Rules and regulations who needs them

Open up the door
