Nobody's Love

Maroon 5

How dare you say that my behavior is unacceptable So condescending unnecessarily critical I have the tendency of getting very physical So watch your step 'cause if I do you'll need a miracle You drain me dry and make me wonder why I'm even here The double vision I was seeing is finally clear You want to stay but you know very well I want you gone Not fit to fuckin' tread the ground I'm walking on When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe What you are doing is screwing things up inside my head You should know better you never listened to a word I said Clutching your pillow and writhing in a naked sweat Hoping somebody someday will do you like I did When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe Does it kill Does it burn Is it painful to learn That it's me that has all the control Does it thrill Does it sting When you feel what I bring And you wish that you had me to hold When it gets cold outside and you got nobody to love You'll understand what I mean when I say There's no way we're gonna give up And like a little girl cries in the face of a monster that lives in her dreams Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe Is there anyone out there 'cause it's getting harder and harder to breathe
