

I Can't Imagine

Peabo Bryson & Regina Belle

I just can't imagine (I just can't imagine)
Life without you I can't imagine life without you
I always thought we made the perfect pair
I can't imagine walking into
The house we called a home, without you there We had the love, we had the magic
How could we let it disappear
Now all the love has turned so tragic
And all my faith has turned to fear I can't imagine life without you
Yet my restless feet are walkin' toward the door
I can't believe I'm really leavin'
I can't fake this feelin' any more
I didn't mean to ever hurt
It's not as if I didn't care
I'm so afraid if I deserve you
The pain may need too hard to bear Maybe if we try to talk it over one more time
We'd search out our souls and somehow we would find
All the hopes and dreams that we're about to leave behind
We had the kind of love that's shared by just a few
(Kind of love that's shared by just a few)
Maybe we can turn it into something new
(We can turn it into something new)
'Cause I just can't imagine (I just can't imagine)
I just can't imagine
Life without you Can't imagine life without you, baby
(I can't imagine, baby)
Maybe if we try to talk it over one more time
We'd search out our souls and somehow we could find
All the hopes and dreams that we're about to leave behind
We had the kind of love that's shared by just a few
(Kind of love that's shared by just a few)
Maybe we can turn it into, turn it into something new
(Maybe we could turn it into something new)
'Cause I just can't imagine (I just can't imagine)
I just can't imagine
Life without you I don't wanna live without you, baby
