Beauty in the World

Macy Gray

I know you're fed up Like a lead up for us All they talk about is

What is going down? What's been messed up for us?

When I look around I see blue skies

I see butterflies for us

Listen to the sound and lose itIt's sweet music and dance with me

There is beauty in the world

So much beauty in the world

Always beauty in the worldSo much beauty in the world Shake your booty boys and girls for the beauty in the world Pick your diamond pick your pearl there is beauty in the world

All together now

...

We need more lovin'

We need more money, they say

Change is gonna comeLike the weatherThey say forever

They say

When they're in between

Notice the blue skiesNotice the butterflies

Notice me

Stop and smell the flowers

And lose itIt's sweet music

And dance with me

There is beauty in the world

So much beauty in the world

Always beauty in the world

There is beauty in the world

Shake your booty boys and girls for the beauty in the world Pick your diamond pick your pearl there is beauty in the worldAll together now

...

Hey... Yeah

Throw your hands up and holla

Hey... YeahThrow your hands up and holla

When you don't know what to do

Don't know if you'll make it through

Remember god is giving you beauty in the world

So love (Beauty in the world) Yeah love (Beauty in the world)

There is beauty in the world (Beauty in the world)

Beauty in the world (Beauty in the world)

Shake your booty boys and girls (Boys and Girls)All the beauty in the world (Beauty in the world)

Pick your diamond pick your pearl (Pick your pearl)
There is beauty in the world (Beauty in the world)
All together now

•••

Yeah... love
Yeah... love
Oh... love
All together now
Hey baby when I'm looking at you
I know it's fact is true
There is hope for love
There's beauty in the world
