## I Love My Life

## Jamie O'Neal

Her little blond hair's blowin', she's swingin' while her daddy's mowin'
The grass, and the dog needs a bath

But he's chasing the cat up a tree

I'm lookin' out the window, happy just watching my world go round And I think to myself, how lucky can a girl beI've got everything, more than I ever dreamed

I love my life

I thank God for all I have

And that I love this man

Who loves his wife

I love my life

I love my life

Twenty kisses goodnight, turn the little butterfly night light on,

'til the monster is gone and she's finally fallen asleep

We tiptoe downstairs, cuddle up and we kiss in the big chair

and I smile and you whisper, now it's just you and meI've got everything, more than I ever

dreamed

I love my life

I thank God for all I have

And that I love this man

Who loves his wife

I love my life

I love my lifeBlue and pink in the nursery

Gold and silver anniversaries

Dancing in the living room

Our little girl, and me and you

I've got everything, more than I ever dreamed

I love my life

I thank God for all I have

And that I love this man

Who loves his wife

I love my life

I love my life
