

I Wish I Were Amanda Lepore (feat. Amanda Lepore)

Sharon Needles

I might be drastic, but I think Im fantastic

I show it off

Im always on

Silicone

Tiny waist

Red carpet lips

Porcelain face

A mannequin

Shes got it all

Shes built for men

A blow up doll

I might be drastic but Im more than plastic

I show it off, I never mask it

Does she see me or 600ccs

See me, see me

I wish I were

Amanda Lepore, Amanda Lepore

I wish I were

Amanda Lepore, Amanda Lepore

Tonight, tonight

Tonight, tonight

I wish I were

Amanda Lepore, Amanda Lepore

Shes extreme

Hollywood

Id take her place

If I could

What you see

Is what you get

Midnight Monroe

No need to dress

I might be drastic but Im more than plastic

I show it off, I never mask it

Does she see me or 600ccs

See me, see me

I wish I were

Amanda Lepore, Amanda Lepore

I wish I were

Amanda Lepore, Amanda Lepore

Tonight, tonight

Tonight, tonight
I wish I were
Amanda Lepore, Amanda Lepore
Everything next to her seems like a flaw
Yes Im perfect but even perfect has a heart
Her beauty blinds to the point that I cant look away
Everything is beautiful in its own way
I wish I were
Amanda Lepore, Amanda Lepore
Tonight, tonight
Tonight, tonight
I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
Tonight, tonight
Tonight, tonight
I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
I wish I were
Amanda Lepore, Amanda Lepore
