

You Had Time

Ani DiFranco

How can I go home
With nothing to say?
I know you're going to look at me that way
And say "What did you do out there?
And what did you decide?"
You said you needed time
And you had time You are a china shop
And I am a bull
You are really good food
And I am full
I guess everything is timing
I guess everything's been said
So I am coming home with an empty head
You'll say "Did they love you or what?"
I'll say "They love what I do
The only one who really loves me is you"
And you'll say "Girl, did you kick some butt?"
And I'll say "I don't really remember
But my fingers are sore
And my voice is too" You'll say "It's really good to see you"
You'll say "I missed you horribly"
You'll say "Let me carry that
Give that to me"
And you will take the heavy stuff
And you will drive the car
And I'll look out the window and make jokes
About the way things are
How can I go home
With nothing to say?
I know you're going to look at me that way
And say "What did you do out there?
And what did you decide?"
You said you needed time
and you had time You had time...
You had time...
You had time...
You had time...
