

# Crazy Beautiful

Skylar Stecker

ain't what they want  
ain't what they used to  
it's all we got  
we take our aim  
we blowing a fuse  
making a change All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom  
now you got your soul that can't be sold  
it's now time to own your freedom freedom freedom  
All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom  
we making noise  
shout out in the silence  
they hear us bough down they hear us  
no other choice  
can't take this riot  
nobody can break it up All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom  
now you got your soul that can't be sold  
it's now time to own your freedom freedom freedom  
All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom

your freedom freedom freedom  
its time for us to say  
won't let'em chase away  
our freedom freedom freedom All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom  
now you got your soul that can't be sold  
it's now time to own your freedom freedom freedom  
All my ladies all my girls  
dominating from the world  
your the diamond show the world  
and you better know it  
crazy beautiful  
so unusual  
it's now time to show your freedom freedom freedom
