Irish Blood, English Heart

Morrissey

Irish blood, English heart, this I'm made of There is no one on earth I'm afraid of And no regime can buy or sell meI've been dreaming of a time when To be English is not to be baneful To be standing by the flag not feeling shameful Racist or partialIrish blood, English heart, this I'm made of There is no one on earth I'm afraid of And I will die with both of my hands untied I've been dreaming of a time when The English are sick to death of labor and Tories And spit upon the name Oliver Cromwell And denounce this royal line That still salute him and will salute him forever
