

# Fool's Gold

## One Direction

I'm like a crow on a wire  
You're the shining distraction that makes me fly  
Oh home  
I'm like a boat on the water  
You're the rays on the waves that calm my mind Oh every time  
But I know in my heart you're not a constant star  
And yeah I let you use me from the day that we first met  
But I'm not done yet  
Falling for you fool's gold  
And I knew that you turned it on for everyone you've met  
But I don't regret  
falling for you, fool's gold  
I'm the first to admit that I'm reckless  
I get lost in your beauty and I can't see two feet in front of me  
And I know in my heart you're just a moving part  
And yeah I let you use me from the day that we first met  
But I'm not done yet  
Falling for you, fool's gold And I knew that you turned it on for everyone you met  
But I don't regret  
falling for you, fool's gold  
Yeah I know your loves not real  
That's not the way it feels  
That's not the way you feel  
And yes I let you use me from the day that we first met  
But I'm not done yet  
Falling for you, fool's gold  
And I knew that you turned it on for everyone you met  
But I don't regret  
falling for you, fool's gold
