No, I don't care.

I mean, hey, I got Penny
There comes a time in every girl's life when she's really got to ask
herself deep down inside:

"Is she ready to be going steady?"

Don't ? it away, but I honestly believe that one month should be enough.

Well, first of all, let's say if dating this one boy Johnny... And one day Johnny asked me to be
his steady girl...There comes a time where she's got to ask herself: "Steady or not? I mean, do
you really want to be Johnny's steady?" Don't think that a woman could honestly believe that
one month should be just about enough. Well, first of all, let's see if they...Three important

rules for breaking up:

Don't put off breaking up when you know you want to

Prolonging the situation only makes it worse

Tell him honestly, simply, kindly, but firmly

Don't make a big production

Don't make up an elaborate story

This will help you avoid a big tear-jerking scene

If you wanna date other people say so

Be prepared for the boy to feel hurt and rejected

Even if you've gone together for only a short time and haven't been too serious

There's still a feeling of rejection when someone says she prefers the company of others to your
exclusive company

But if you're honest and direct and avoid making a flowery emotional speech when you break
the news

The boy will respect you for your frankness

And honestly, he'll appreciate the kind of straight forward manner in which you told him your
decision

Unless he's a real jerk or a cry baby, you will remain friends

I'm head of the class

I'm popular

I'm a quarter back

I'm popular

My mom says I'm a catch

I'm popular

I'm never last picked

I got a cheerleading chick
Being attractive is the most important thing there is

If you wanna catch the biggest fish in your pond

You have to be as attractive as possible

Make sure to keep your hair spotless and clean

Wash it at least every two weeks

Once every two weeks

And if you see Johnny Football Hero in the hall

Tell him he played a great game

Tell him you liked his article in the newspaper
I'm the party star
I'm popular
I've got my own car
I'm popular
I'll never get caught
I'm popular
I make football bets
I'm a teacher's pet I propose we support a one month limit on going steady
I think it would keep people more able to deal with weird situations
And get to know more people
I think if you're ready to go out with Johnny
Now's the time to tell him about your one month limit
He won't mind, he'll appreciate your fresh look on dating
And once you've dated someone else you can date him again
I'm sure he'll like it
Everyone will appreciate it
You're so novel, what a good idea
You can keep your time to yourself
You don't need date insurance
You can go out with whoever you want to
Every boy, every boy in the whole world could be yours
If you'll just listen to my plan:
The Teenage Guide To Popularity I'm head of the class
I'm popular
I'm a quarter back
I'm popular
My mom says I'm a catch
I'm popular
I'm never last picked
I'm a cheerleading chick I'm the party star
I'm popular
I've got my own car
I'm popular
I'll never get caught
I'm popular
I'm the teacher's pet
I make football bets
