ION Want It

Yo Gotti

Ion want it If the money don't come in rubber bands ion want it If the chopper don't come with a stand ion want it If the pack ain't big enough for the fans ion want it If the pussy don't come with the head ion want it If the money don't come in rubber bands ion want If the pussy don't come with the head ion want it If the coupe still come with the top you can keep it If the case don't come with an informant you can beat it If the sack don't come with a driver you can beam it If the whip don't come with the shoes I'mma tweak it If the .40 don't come with the extended ion want it If you can't take a loss then ya ass shouldn't front it If the ass don't come with the mouth I ain't budging Shawty if I can't get no top, shawty ion want nothing If the bottles don't come with the sparklers it ain't turnt (turn up) Niggas still talking shit, guess them pussies ain't learn If the case don't come with a bond you tripping You don't need a lawyer then you must be snitchingIf the money don't come in rubber bands ion want it If the chopper don't come with a stand ion want it

If the pack ain't big enough for the fans ion want it If the pussy don't come with the head ion want it If the money don't come in rubber bands ion want If the pussy don't come with the head ion want itIf your bitch tryin' to fuck a real nigga I won't stop her If your bricks ain't double wrapped and stamped it ain't proper If the Jordans don't come in the box Ion cop em You can catch me kicking shit at Benihanas eating lobster If my niggas don't like you nigga ion like you either Only bird I fuck with is a brick or desert eagle You know me, keep it G, ion talk keep it pushin' If a nigga [?] the hand bag you a pussy If a nigga had money now he broke he don't deserve it Pussy from a side bitch make you lose your family ain't worth it 99.9 swear to God I ain't lying I'm 100 in the street pussy nigga I'm perfectIf the money don't come in rubber bands ion want it If the chopper don't come with a stand ion want it If the pack ain't big enough for the fans ion want it If the pussy don't come with the head ion want it If the money don't come in rubber bands ion want If the pussy don't come with the head ion want it Song Discussions is protected by U.S. Patent 9401941.
