

Respect Yourself

Gerald Albright

If I could reach the stars
Pull one down for you,
Shine it on my heart
So you could see the truth: That this love inside
Is everything it seems.
But for now I find
It's only in my dreams. And I can change the world,
I will be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
If I could be king,
Even for a day,
I'd take you as my queen;
I'd have it no other way. And our love would rule
This kingdom we had made.
'til then I'd be a fool,
Wishing for the day... That I can change the world,
I would be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
Baby if I could change the world.
I could change the world,
I would be the sunlight in your universe.
You would think my love was really something good,
Baby if I could change the world.
Baby if I could change the world.
Baby if I could change the world.
