

# Shakin' Hands with the Holy Ghost

## Blackberry Smoke

Slit the night wide open  
I ain't got nowhere to go  
Yeah my baby's howlin' at me  
Yeah she tearing up the floor We got the Tennessee champagne  
Feelin' moonshine fine  
And my Johnson city baby  
Yeah she helps me draw the line As the crow flies baby  
Gonna get me up on time  
Gonna light me up, like the 4th of July Everybody knows, baby take it slow  
Feel just like I'm singing With the heavenly host  
Everybody said, everybody knows  
Just like shaking hands With the Holy Ghost  
She got the things that I need  
Keeps me coming back for more  
I ain't ever gonna break away  
Got a hook in me for sure As the crow flies baby  
Gonna get me up on time  
Gonna light me up yeah Like the 4th of July Everybody knows, baby take it slow  
Feel just like I'm singing  
With the heavenly host  
Everybody said, everybody knows  
Just like shaking hands  
With the Holy Ghost  
Alright, mhmhm yeah  
Everybody knows, baby take it slow  
Feel just like I'm singing  
With the heavenly host  
Everybody said, everybody knows  
Just like shaking hands  
With the Holy Ghost Everybody knows, baby take it slow  
Feel just like I'm singing  
With the heavenly host  
Everybody said, everybody knows  
Just like shaking hands  
With the Holy Ghost
