Living In the Moment

Jason Mraz

If this life is one act
Why do we lay all these traps
We put them right in our path
When we just wanna be freeI will not waste my days
Making up all kinds of ways
worry about some thingsThat will not happen to meSo I just let go of what

To worry about some thingsThat will not happen to meSo I just let go of what I know I don't know

And I know I'll only do this by

Living in the moment

Living our life

Easy and breezy

With peace in my mind

With peace in my heart

Peace in my soul

Wherever I'm going, I'm already home

...Living in the moment

...

I'm letting myself off the for things I've done...

I let my past go past

And now I'm having more funI'm letting go of the thoughts

That do not make me strong

And I believe this way can be the same for everyone

...

And if I fall asleepI know you'll be the one who'll always remind me

...

To live in the moment
To live my life
Easy and breezy
With peace in my mind
I got peace in my heart
Got peace in my soul

Wherever I'm going, I'm already home

...

I can't walk through life facing backwards...

I have tried

I tried more than once to just make sure And I was denied the future I'd been searching for

...But I spun around and searched no more...

By living in the moment Living my life Easy and breezy With peace in my mind

I got peace in my heartGot peace in my soul Wherever I'm going, I'm already home

...

I'm living in the moment
I'm living my life
Just taking it easy
With peace in my mind
I got peace in my heart
I got peace in my soul
Oh, wherever I'm going, I'm already home

...

I'm living in the moment
I'm living my life
Oh, easy and breezy
With peace in my mind
I got peace in my heart
I got peace in my soul
Oh, wherever I'm going, I'm already home

...
