

# Before I Fall to Pieces

## Razorlight

Oh, one more drink and then I'll go  
But there's one more thing I've got to know  
Does he take you places that I don't?  
And what happened to the story that we wrote? You just say you don't know  
You don't know  
Oh no you don't know  
You don't know Woo  
Oh, let's just get this whole thing straight  
I don't wanna kidnap the truth and negotiate  
Or miss the point they met you  
Just wanna hear you say something that you believe to be true But you say you don't know  
You don't know  
You just say you don't know  
You don't know  
What it feels like  
What it feels like And so I'll go before I fall to pieces  
Yes I'll go before I fall to pieces Now I'm just waiting for something that might never come  
If it's a million to one shot I'll make sure I'm the one  
Seems that nothing is safe, except the truth turns to lies  
Never figured it out or found out why  
So I'll go  
Yes I'll go  
Yes I'll go  
Yes I'll go  
Oh baby I'll go  
Oh yes I'll go  
Yes I'll go  
Oh yes I'll go  
Before I fall to pieces  
Before I fall to pieces  
Yes I'll go before I fall to pieces  
Yes I'll go before I fall to pieces Ohhhhhhhh Ohhh Ohhh  
Ohhhhhhhhhh Ohh Ohh  
Ohhhhhhhh Ohhh Ohhh
