

# Only Angel

## Harry Styles

It was an angel  
I really saw an angel Open up your eyes, shut your mouth and see  
That I'm still the only one who's been in love with me  
I'm just happy getting you stuck in between my teeth  
And there's nothing I can do about it  
Broke a finger knocking on your bedroom door  
I got splinters in my knuckles crawling across the floor  
Couldn't you take home to mother in a skirt that short  
But I think that's what I like about it She's an angel

Only angel  
She's an angel  
My only angel

I must admit I thought I'd like to make you mine  
As I went about my business through the warning signs  
End up meeting in the hallway every single time  
And there's nothing we can do about it  
Told it to her brother and she told it to me  
That she's gonna be an angel, just you wait and see  
When it turns out she's a devil in between the sheets  
And there's nothing she can do about it

Hey, hey She's an angel  
Only angel  
She's an angel  
My only angel She's an angel  
Only angel  
She's an angel  
My only angel  
She's an angel  
Only angel  
She's an angel  
My only angel She's an angel  
My only angel  
She's an angel  
My-my-my only angel
