

On Mommy

Mir Fontane

[Chorus]

It get cold where I be
That's why I gotta keep a heater on me
In case a pussy nigga wanna try me
I'ma catch a body and that's on mommy
Blood in my eyes and I can't see
I just wanna ball like Kyrie
But if they try do me like Bobby
I'ma get rowdy and that's on mommy

[Verse 1]

I just lost a homie to a stray
I still got homies upstate
Probably question if I'm still real
Cause I hardly tell 'em how I feel
Lately everything is moving fast now
Life slows down when I hit the gas now
Sing and rap on every hook I'm Outkast now
Playing
