

Window Seat

Erykah Badu

so, presently I'm standing
here right now
you're so demanding
tell me what you want from me
concluding
concentrating on my music, lover and my babies
makes me wanna ask the lady for a ticket outta town...so can I get a window seat
don't want nobody next to me
I just want a ticket outta town
a look around
and a safe touch down
can I get a window seat
don't want nobody next to me
I just want a chance to fly
a chance to cry
and a long bye bye.
but I need you to want me
I need you to miss me
I need your attention, yes
I need you next me
I need someone to clap for me
I need your direction
somebody say come back
come back baby come back
I want you to need me
come back come back baby come back
come back come back baby come back
come back come back baby come back
so, in my mind I'm tusslin'
back and forth 'tween here and hustlin'
I don't wanna time travel no mo
I wanna be here
I'm thinking
on this porch I'm rockin'
back and forth light lightning hopkins
if anybody speak to scotty
tell him beam me up.so can I get a window seat
don't want nobody next to me
I just want a ticket outta town
a look around
and a safe touch down
can I get a window seat

don't want nobody next to me
I just want a chance to fly
a chance to cry
and a long bye bye.but I need you to miss me
I need somebody come get me
I need your attention
I need your energy
I need someone to clap me
I need your directionsomebody say come back
come back baby come back
come back come back baby come back
come back come back baby come back
come back come back baby come backbut can I get a window seat
don't want nobody next to me
I just want a ticket outta town
a look around
and a safe touch down...I just wanna chance to fly
a chance to cry
and a long bye bye...
