

Fools

The Temper Trap

Fools
They don't know
What they're on about
Those fools
Don't get bad dreams And I want it
I want it
I want it And I want it
I want it
I want it
All You can't wait to watch me fall I sing stories on a wrecking ball
Colliding, ask to bring you down
If you want it
You want it
You want it If you want it
You want it
You want it
All Sometimes, things we build to fall And I want it
I want it
I want it And I want it
I want it
I want it And I want it
I want it
I want it
All
And I want it
I want it
I want it And I want it
I want it
I want it And I want it
I want it
I want it
All
