## Love Song

## **Sara Bareilles**

Head under water And they tell me to breathe easy for a whileThe breathing gets harder, even I know that Made room for mebut it's too soon to see If I'm happy in your hands I'm unusually hard to hold on to Blank stares at blank pagesNo easy way to say this You mean well, but you make this hard on meI'm not gonna write you a love song 'cause you asked for it 'cause you need one, you see I'm not gonna write you a love song 'cause you tell me it's make or break in this If you're on your way I'm not gonna write you to stay If all you have is leavingI'ma need a better reason to write you a love song today, today I learned the hard way That they all say things you want to hearAnd my heavy heart sinks deep down under You and your twisted words Your help just hurts You are not what I thought you were Hello to high and dry Convinced me to please you Made me think that I need this too I'm trying to let you hear me as I am I'm not gonna write you a love song 'cause you asked for it 'cause you need one, you see I'm not gonna write you a love song 'cause you tell me it's make or break in this If you're on your way I'm not gonna write you to stay If all you have is leaving I'ma need a better reason to write you a love song today Promise me that you'll leave the light on To help me see with daylight, my guide, gone 'cause I believe

there's a way you can love me Because I say I won't write you a love song 'cause you asked for it 'cause you need one, you see I'm not gonna write you a love song 'cause you tell me it's make or break in this Is that why you wanted a love song? 'cause you asked for it 'cause you need one, you see I'm not gonna write you a love song 'cause you tell me it's make or break in this If you're on your way I'm not gonna write you to stay If your heart is nowhere in it I don't want it for a minute Babe, I'll walk the seven seas when I believe that there's a reason to write you a love song today, today Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
