That Was Then, This Is Now

Josh Wilson

We used to hide

From the light

We made friends with the nightWe were headed the wrong way On a one way track Going nowhere fastWe got used

To the dark

We thought this is who we are And we figrued that we

Were just too far goneBut we were wrong'Cause love came running like a

RiverAnd we got washed in the water

Then He said "you're forgiven"

"Your sins are gone"That was thenThis is nowYou're bought by the blood

Saved by The Son

The saints all sing about That was lost This is found It's time to say good bye

To the old you nowSo go ahead

Put the past in the past

Box it up like an old photographYou don't have to go back

'Cause that was then And this is now

We've been remade

By grace

We've all got new namesAnd nothing we do

Could ever change

What He did that dayWhen love came running like a

RiverAnd we got washed in the waterThen He said "you're forgiven"

"And you belong"That was then This is now You're bought by the blood

Saved by The Son

The saints all sing about That was lost This is found It's time to say good bye

To the old you nowSo go ahead

Put the past in the past

Box it up like an old photographYou don't have to go back

'Cause that was thenIf we turn and confess

Every unrighteousnessHe is faithful

And just to forgiveOh so turn and confess

Every wrong and regretAnd see what it means to liveThat was thenThis is nowYou're bought

by the blood

Saved by The Son

The saints all sing about That was lost This is found It's time to say good bye

To the old you nowSo go ahead

Put the past in the past

Box it up like an old photographYou don't have to go back

'Cause that was thenAnd this is nowSo go ahead

Put the past in the past

Box it up like an old photographYou don't have to go back'Cause that was thenAnd this is

now((God bless!))
