

# Kings of Summer

ayokay & Quinn XCII

Like mom's not home  
Summer nights,  
Love 'em how they take so long  
One, two, three.  
Jumpin' off the porch like mom's not home  
Tell me why the best things feel so wrong  
Summer nights,  
Love 'em how they take so long  
Run with the feeling  
of being alive  
Jumpin' off the porch like mom's not home  
Just a couple kids livin' on our own  
Summer nights,  
Love 'em how they take so long  
Run with the feeling  
of being alive while we're still young  
Jumpin' off the porch like mom's not home  
Tell me why the best things feel so wrong  
Summer nights,  
Love 'em how they take so long  
Run with the feeling  
of being alive while we're still young  
Jumpin' off the porch like mom's not home  
Just a couple kids living on our own  
Summer nights  
Love 'em how they take so long  
Run with the feeling  
of being alive while we're still young
