

# Wtf!?

## Ski Mask the Slump God

[Intro]

Yuh, we just started from the top, yuh

Yuh, yuh, yuh, yuh

Hey, do you like curse words?

There is a lot in the verse

Ayy Tony

Ayy! Uh[Chorus]

Don't get fucked up, I'm fucked up, what the fuck?

Don't get fucked up, I'm fucked up, what the fuck?

Don't get fucked up, I'm fucked up, what the fuck?

What the fuck? What the fuck? What the fuck? What the- Ayy!

Don't get fucked up, I'm fucked up, what the fuck?

Don't get fucked up, I'm fucked up, what the fuck?

(Don't get fucked up!)

Don't get fucked up, I'm fucked up, what the fuck?

What the fuck? What the fuck? What the fuck? What the- Ayy!

[Verse 1]

Huh? Huh? Huh? What did you say?

Umm, repeat, yuh

Yachty pulled up in a new 'Cedes truck (that's nice)

Lights, they on the front

Pause, Then I'ma stunt

Ayy, you not savage so keep that shirt tucked

No you not, no you not

I am a bad boy, don't wear no seat buckle

Beat down that pussy then dust off my knuckles

What else? What else? What else? Dust off my knuckles

Walk the damn plank, on yo' bitch I plank

Unless she stank, smell like a Chef Boyardee

X came with Tank, basquiat came to paint

Achoo, I'm blessed

Don't ask me why 'cause I don't look like you

[Chorus]

Don't get fucked up, I'm fucked up, what the fuck?

Don't get fucked up, I'm fucked up, what the fuck?

Don't get fucked up, I'm fucked up, what the fuck?

What the fuck? What the fuck? What the fuck? What the- Ayy![Verse 2]

Terio, ooh, kill 'em!

It's how I walked up in the building

This the man I'm with the millions

I'm as high as hands up in the sky

When it's yo' auntie saying hallelujah!

I'm the shit, what's it to ya?  
(Umm, here's your tissue)  
Yup, I needed it  
Just for my jewelry, 'cause it be dripping B  
And she from Italy, she got the sausage  
Like I'm the Kennedy, got lotta green on me  
Talkin' 'bout Kennedy, she said I'm awesome! [Chorus]  
Don't get fucked up, I'm fucked up, what the fuck?  
Don't get fucked up, I'm fucked up, what the fuck?  
Don't get fucked up, I'm fucked up, what the fuck?  
What the fuck? What the fuck? What the fuck? What the- Ayy!  
Don't get fucked up, I'm fucked up, what the fuck?  
Don't get fucked up, I'm fucked up, what the fuck?  
(Don't get fucked up!)  
Don't get fucked up, I'm fucked up, what the fuck?  
What the fuck? What the fuck? What the fuck? What the- Ayy!
