

Break Every Chain

Tasha Cobbs Leonard

There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain
To break every chain, break every chain, break every chain There is power in the name of Jesus
There is power in the name of Jesus
There is power in the name of Jesus
To break every chain, break every chain, break every chain To break every chain, break every
chain, break every chain
There's an army rising up
There's an army rising up
There's an army rising up To break every chain, break every chain, break every chain
To break every chain, break every chain, break every chain There's an army rising up
There's an army rising up
There's an army rising up
To break every chain, break every chain, break every
somebody raise up your voices
and you declare that the chains are broken
chains are broken
The chains are broken
I hear the chains falling
the chains are falling
I hear the chains falling
u gotta hear it
I hear the chains
I hear the chains falling
hear it in the spirit
I hear the chains
I hear the chains falling
it's loud in my ears
I hear the chain
I hear the chains falling
