

# Come Undone

## My Darkest Days

Mine, immaculate dream  
Made of breath and skin  
I've been waiting for you  
Signed with a home tattoo  
Happy birthday to you  
Was created for you.(Girl)  
I cant help but keep from falling apart  
At the seams  
I cannot believe their taking my heart  
Into pieces  
Ohh, it might take a little time  
Might take a little crime  
To come undone  
Now we'll try  
To stay blind  
To the hope and fear outside  
Hey child, stay wilder than the wind, can blow me into cry  
Who do you need  
Who do you love  
When you come undone.  
Who do you needWho do you love  
When you come undone.  
Words  
Play me deja vu  
Like a radio tune  
I swear I've heard before  
She'll  
Resist something real  
Or the magic im feeding  
Off your fingers.  
I cant help but keep from falling apart  
At the seamsI cannot believe their taking my heart  
Into pieces  
Lost  
In a self filled sky  
Might make it alrightTo come undone  
Now, we'll try  
To stay blind  
To the hope and fear outside  
Hey child, stay wilder than the wind, can blow me into cry  
Who do you need  
Who do you love

When you come undone.  
Who do you need Who do you love  
When you come undone.  
I cant help but keep from falling apart, (apartt)  
At the seams, (who do you need)  
I cannot believe their taking my heart, (who do you love)  
Into pieces  
I cant help but keep from falling apart  
At the seams, (who do you love)  
I cannot believe their taking my heart  
When you come undone
