Rikki Don't Lose That Number

Steely Dan

We hear you're leavin'
That's okay

I thought our little wild time

Had just begunI guessed you kind of scared yourself

You turn and run

But if you have a change of heart

Rikki don't lose that numberYou don't wanna call nobody else

Send it off in a letter to yourself

Rikki don't lose that numberIt's the only one you own

You might use it if you feel better

When you get home

I have a friend in town

He's heard your name

We can go out driving on

Slow hand rowWe could stay inside and play games

I don't know

And you could have a change of heart

Rikki don't lose that numberYou don't wanna call nobody else

Send it off in a letter to yourself

Rikki don't lose that numberIt's the only one you own

You might use it if you feel better

When you get home You tell yourself you're not my kind

But you don't even know your mind

And you could have a change of heart

Rikki don't lose that number

You don't wanna call nobody else

Send it off in a letter to yourself

Rikki don't lose that numberIt's the only one you own

You might use it if you feel better

When you get home

Rikki don't lose that number

Rikki don't lose that number

Rikki don't lose that number
