

Can You Stop the Rain

Peabo Bryson

Here's another morning without you
Here's another day; will I get through it
Without breaking down?
Haven't seen the sun since you've been gone
Like my heart, I lost it when you left me
And it can't be found How can I go on?
Baby, I'd be living on memories
Of you and me
All the love we made
All those tender nights
And those endless days
They're all here inside
(Chorus 1:)
Baby, can you stop the rain from falling?
Won't you chase my clouds away?
I'd give anything to see the sun again
Only you can stop these tears from falling
I can't face another day
Baby, can you stop
Can you stop the rain? Everywhere I go, I feel you there
Following my footsteps like a shadow
Of my broken heart
Sometimes, it's a pair of passing eyes
Or it's just the way someone is talking
And there you are
And I all alone?
Don't you ever wake up
And reach for me
Where I used to be?
Is there any chance?
I just can't believe
You're not lonely, too
Just for me and you (Repeat chorus 1) (Chorus 1:)
Baby, can you stop the rain from falling?
Won't you chase my clouds away?
I'd give anything to see the sun again
Only you can stop these tears from falling
I can't face another day
Baby, can you stop
Can you stop the rain? (Bridge:)
If you were here for only one night
Baby, I know you'd remember

'Cause loving you once wasn't time enough
I know we can make it together
Together(Chorus 2:)
Baby, stop the rain
Won't you chase my clouds away?
I'd give anything to see the sun again
Only you can stop these tears of mine from falling
I can't face another day
Baby, can you stop
Can you, can you stop the rain?How can I live without you, baby?
How could I let you go?
