

I Didn't Mean To

Casual

Alright I might
Have had a little glare when I stared at ya ho
But I didn't know she was like that
She stared right back
My niggas warnin me that she was comin on to me
I react like a mack do I act cool
Just to test her cause I ain't no jester
I suggest her and her friend be outtie
Cause I don't want to make my pals get rowdy
And doubt me our friendship
But when lips touch
I go crazy in the clutch
Sorta like schitzo I forgets my bros and pals over gals
I didn't mean to but when you fiend you do
Strange things for the denim no matter who's in em
Grab a flooze then I'm in traffic
Don't laugh it might be your girl that I'm talkin about
I didn't mean to
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught (I didn't mean to)
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught (I didn't mean to)
Another incident when I went
Way beyond what I should of done
John should of stopped before them drawers dropped
But I didn't ain't no quittin
Really didn't care who's girl I was hittin
I admit skinz ain't a reason to lose friends
But then again I didn't know, sorry
Accept apologies and live on
Are we goin hold grudges well oh fudge
Its a new year and I do fear
Ya actions ya actin shy
I mean ya need to be smackin
That ho
Instead of tryin to front on me ya know
Thats exactly how I'm goin to be ya know
I run my game on any G ya know
Cause we the most entertainin
I meant to blame women
For makin me do what the AK seem to
When you call I screen you

I didn't mean to
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught (I didn't mean to)
Why do fools be schememin dreamin
Actin like demons
Niggas don't give a fuck
Because they beat shit
To many girls front cute
When they want loot
They tell lies the swell guys
Can peep it and thats weak shit
Thats why I run game on every freak I get
Born in Oakland grew up pumpin Too Short
I know the rules on the flooze so who's short
I once had a ho who smoked blunts yo
She tried to get me so I looked at the front door
And now shes not with me so forget it
But every once in a while I'll hit it
And it happened to be your girl
I didn't mean to and I been through
Your relationship and I hate dumb dips
But I really can't trip when they ride my tip
I didn't mean to
It ain't my fault that your girl got caught
It ain't my fault that your girl got caught (I didn't mean to)
