I Didn't Mean To

Casual

Alright I might Have had a little glare when I stared at ya ho But I didn't know she was like that She stared right back My niggas warnin me that she was comin on to me I react like a mack do I act cool Just to test her cause I ain't no jester I suggest her and her friend be outtie Cause I don't want to make my pals get rowdy And doubt me our friendship But when lips touch I go crazy in the clutch Sorta like schitzo I forgets my bros and pals over gals I didn't mean to but when you fiend you do Strange things for the denim no matter who's in em Grab a flooze then I'm in traffic Don't laugh it might be your girl that I'm talkin about I didn't mean to It ain't my fault that your girl got caught It ain't my fault that your girl got caught (I didn't mean to) It ain't my fault that your girl got caught It ain't my fault that your girl got caught (I didn't mean to) Another incident when I went Way beyond what I should of done John should of stopped before them drawers dropped But I didn't ain't no quittin Really didn't care who's girl I was hittin I admit skinz ain't a reason to lose friends But then again I didn't know, sorry Accept apologies and live on Are we goin hold grudges well oh fudge Its a new year and I do fear Ya actions ya actin shy I mean ya need to be smackin That ho Instead of tryin to front on me ya know Thats exactly how I'm goin to be ya know I run my game on any G ya know Cause we the most entertainin I meant to blame women For makin me do what the AK seem to When you call I screen you

I didn't mean to

It ain't my fault that your girl got caught It ain't my fault that your girl got caught (I didn't mean to)

Why do fools be schememin dreamin

Actin like demons

Niggas don't give a fuck

Because they beat shit

To many girls front cute

When they want loot

They tell lies the swell guys

Can peep it and thats weak shit

Thats why I run game on every freak I get

Born in Oakland grew up pumpin Too Short

I know the rules on the flooze so who's short

I once had a ho who smoked blunts yo

She tried to get me so I looked at the front door

And now shes not with me so forget it

But every once in a while I'll hit it

And it happened to be your girl

I didn't mean to and I been through

Your relationship and I hate dumb dips

But I really can't trip when they ride my tip

I didn't mean to

It ain't my fault that your girl got caught It ain't my fault that your girl got caught (I didn't mean to)
