

# Smile

Mikky Ekko

Smile, the worst is yet to come  
We'll be lucky if we ever see the sun  
Got nowhere to go, we could be here for a while  
But the future is forgiven so smile We're trying so hard to get it all right  
But only if you're lonely at the end of the night  
And I wanna be somewhere away from this place  
And somewhere just a little closer to grace So smile, the worst is yet to come  
We'll be lucky if we ever see the sun  
Got nowhere to go, we could be here for a while  
But the future is forgiven so smile  
Smile

Well, call me loser, call me thief  
Tell me I'm special when you spit at me  
Cause I don't wanna be lonely, I wanna be loved  
And I want you hold me like I'm the only one I'll smile  
The worst is yet to come

We'll be lucky if we ever see the sun  
Got nowhere to go, we could be here for a while  
But the future is forgiven so smile Smile  
Time will eventually knock on my door  
And tell me I'm not needed around anymore  
But he'll hold me so close at the end of the day  
When I'm quiet I can nearly hear him say  
Smile

The worst is yet to come  
We'll be lucky if we ever see the sun  
Got nowhere to turn, and we've got nothing but time  
But the future is forever, the future is forever  
So smile  
Smile

The worst is yet to come  
We'll be lucky if we ever see the sun
