

# Bad Bad

## YoungBoy Never Broke Again

[Intro]

I got Hitman on the beat

AK (Yes, sir)[Chorus]

YoungBoy came back like they left him for?dead

Coolin',?rollin', I told?shawty, "Give me head"

(Yeah, YoungBoy is?just rollin', yes, sir)[Verse 1]

Shawty don't love me, you know I'ma treat her bad (Bad, bad)

I'm real right, hold yo' six tight, get yo' clique knocked with this cash

These niggas with me 4KTrey, they bust yo' ass

Nigga, what it's hittin' like? It's a stick fight

We gon' bust until you smash

They want attention, then YoungBoy get you clapped at

Rollin' off them pills, it's gon' go down, push yo' hat back

My niggas know they let off, they better clap back

Up in Cali with two gats, I need three more, see where the straps at

I need a pint, I wan' go under, I be leanin' 'til the morning

Face his dome, won't catch him slippin', creep up on him

I got all this money, don't mean nothin'

It ain't a question, I'ma dump it

So think twice before you dream of takin' somethin'

He hit the kill switch when he turnt up on them meds

He lose his mind and he put five on top yo' head

On them Xans, we catch him walkin' like he dead

He don't give a fuck if it's his bloody, zip him, yeah

[Chorus]

YoungBoy came back like they left him for dead

Coolin', rollin', I told shawty, "Give me head"

(Yeah, YoungBoy is just rollin', yes, sir)[Verse 2]

Flexin' bad, hunnid grand cash in my pants make me bust yo' ass

All I do is hand it to my mans

Blow that glizzy, bitch nigga

Totin' the green flag, tryna-be-down ass nigga

Wanna be YoungBoy, ol' clown ass nigga

4KTrey official

Shawty wanna top me, slimy down, yeah, nigga

Just like his brothers, I'ma leave that nigga dead (Dead, dead)

Terminate you bitches, hit yo' block and leave it red

[Chorus]

YoungBoy came back like they left him for dead

Coolin', rollin', I told shawty, "Give me head"

(Yeah, YoungBoy is just rollin', yes, sir)

YoungBoy came back like they left him for dead

Coolin', rollin', I told shawty, "Give me head"  
(Yeah, YoungBoy is just rollin', yes, sir)
