Young Forever

The Ready Set

(Hey hey, We'll be young forever Hey hey, We'll be young forever)We could be like prisoners, Yeah, and we could be alone Or we could make a mess Like no one knows And risk it on our own Spending the money that we don't have, 'cause we don't care, no Living like kings with broken strings And bass down to the floor Living with our headphones up We've got sound and that's enough Nobody can touch us And we run And we run And we runHey hey, We'll be young forever We'll be young forever Till forever stops We're singing Hey hey, We'll be on forever, Tonight will last forever Till our bodies drop We can run through the night, Write our name up in the sky, Got the music on our side Ain't nobody gonna catch usSingin Hey hey, We'll be young forever, On the run forever And we'll never stop (don't stop)Look at us, look at us, We'll take the whole world by surprise Million dollar mindset in place, You can see it in our eyes Everything here is ours to take So come and take your side Living like kings with broken strings And the bass so synthesizedWe can turn the speakers up 'cause we've got sound and that's enough

Nobody can touch us
And we run
And we run
And we runHey hey,
We'll be young forever
We'll be young forever
Till forever stops
We're singing
Hey hey,

We'll be on forever,

Tonight will last forever

Till our bodies dropWe can run through the night,

Write our name up in the sky,

Got the music on our side

Ain't nobody gonna catch usHey hey,

We'll be young forever,

On the run forever

And we'll never stop

(don't stop, don't stop now)We're gonna rule the world tonight

The beat of the drums keeps us alive

Tonight will last forever till our bodies dropHey hey,

We'll be young forever

We'll be young forever

Till forever stops

We're singing

Hey hey,

We'll be on forever,

Tonight will last forever

Till our bodies drop

We can run through the night,

Write our name up in the sky,

We can run, run, run away

(ain't nobody gonna catch us)Singin Hey hey,

We'll be young forever,

On the run forever

And we'll never stop

(don't stop, don't stop now)Run

Run

Run awayWe can

Run

Run

Run away
