

# Try (feat. Nathan Brown)

[Melissa Polinar](#)

There's something about you  
The way you move, the way you look at me  
There's something about the way you see things  
It's like a change of scenery  
Everything about you I just want more of  
But don't get any closer  
If this will last a little longer  
There's a chance I'll find myself saying  
There's nothing, nothing I can do  
To keep my heart away from you  
I can't tell you how hard I try  
To get you off my mind  
So I can move on and just live my life  
I can't help it, I can't tell you how hard I try  
Cause whenever you're near  
I've been in this shell  
And I can't tell if I'm living at all  
I've been doing well on my own  
But maybe it's just me who I'm deceiving  
Cause everything about me leads right to you  
Oh, I want to get closer  
But let me doubt a little longer  
Till I'll turn it over and give in  
Cause there's nothing, nothing I can do  
To keep my heart away from you  
I can't help it, I can't tell you how hard I try  
To get you off my mind  
So I can move on and just live my life  
I can't help it, I can't tell you how hard I try  
Cause whenever you're near it's love that I fear  
Of falling so helplessly  
Fear of losing, losing control  
Cause there's nothing, nothing I can do  
To keep my heart away from you  
I can't help it, I can't tell you how hard I try  
To get you off my mind  
So I can move on and just live my life  
I can't help it, I can't tell you how hard I try  
Cause whenever you're near, it's love that I fear  
End
