

You Are My Sunshine

Mtume

All alone, sitting by the phone; One o'clock, you ring
But I don't mind, 'cause your love's so divine
Such a lot, you bring You are my sunshine; Shine on me
You are my sunshine; Won't you shine on me And every day it's getting stronger, In every way
And I wanna say. I like what you do You're the one I've been searching for
Shine your light on me
Open up, never close the door; Try my love, you'll see And every day it's getting stronger,
(Yeah, yeah) In every way
And I wanna say, I like what you do
You are my sunshine; Shine on me
You are my sunshine; Won't you shine on me
