

Unnatural Selection

Muse

They'll laugh as they watch us fall
The lucky don't care at all
No chance for fate
It's unnatural selection
I want the truth I'm hungry for some unrest
I wanna push it beyond a peaceful protest
I wanna speak in a language that they will understand
Dedication to a new age
Is this the end of destruction and rampage?
Another chance to erase then repeat it again Counter balance this commotion
We're not droplets in the ocean
Ocean
They'll laugh as they watch us fall
The lucky don't care at all No (hey)
Chance (hey)
For fate (hey)
It's unnatural selection
I want the truth No religion or mind virus
Is there a hope that the facts would ever find us
Just make sure that you are looking out for number one
I'm hungry for some unrest
Well let's push it beyond a peaceful protest
I wanna speak in a language that you will understand Counter balance this commotion
We're not droplets in the ocean
Ocean
They'll laugh as they watch us crawl
The lucky don't share at all No (hey)
Hope (hey)
For fate (hey)
It's a random chance selection
I want the truth Try to ride out the storm
I'll still make you believe
They are the special ones
(We have not been chosen) Injustice is the norm
You won't be the first
And you know that you won't be the last Counter balance this commotion
We're not droplets in the ocean
Ocean, ocean, ocean They'll laugh as they watch us fall
And the lucky, they don't care at all No (hey)
Chance (hey)
For fate (hey)
It's unnatural selection I want the truth

I want the truth
I want the truth
I want the truth
