

# Mesmerized

Faith Evans

You dont know, what u do to me,  
let me tell ya how u make me feel  
I need your loving its so good to me  
I can't even sleep  
boy u got me weak  
My heart is on fire since you put that thing on me  
You put that thing on me, that thing baby  
You put that thing on me, that thing baby  
You got me mesmerized  
I don't know what to do  
Baby got me hypnotized  
I think I'm in love with you  
You got me so caught up  
Baby I'm spellbound  
I'm floating on cloud 9  
I don't think I'm coming down  
Don't you know what you do to me  
Baby baby it's like ecstasy  
I can't even sleep (yeah)  
Boy u got me weak (yeah)  
My heart is on fire  
Since you put that thing on me  
You put that thing on me, that thing baby  
You put that thing on me, that thing baby  
baby...I'm hypnotised.I just cant understand  
I can't understand  
You got me looking so crazy baby  
You got me looking so crazy right now  
Make me want to clap my hands (my hands)  
Make me want to stomp my feet (my feet)  
Make me feel real real good (real good)  
When you put the thing on me  
Let me tell ya know  
oww... c'mon now...yeah uh...woohooow  
I can't ...got me ... don't know just what to do  
Ooooo baby baby baby baby mesmerized  
o you got me, o you got me, yeah  
Ooooo baby baby baby baby mesmerized  
Come on, ain't it funky now  
You dont know, what u do to me,  
let me tell ya how u make me feel  
I can't even sleep (yeah)  
boy u got me weak (yeah)  
My heart is on fire since you put that thing on me  
You put that thing on me, that thing baby  
You put that thing on me, that thing baby  
Ooooo baby baby baby baby mesmerized  
don't know just what to do  
Ooooo baby baby baby baby mesmerized

Come on aint it funky now
