

# Use Me

## Mick Jagger

My friends feel it's their appointed duty  
They keep trying to tell me all you want to do is use me  
Uh huh but my answer about all that "use me" stuff  
I want to spread the news that if it feels this good getting used  
You can keep on using me (keep on using me)  
Until you use me up  
Until you use me up  
My brother sit me right down and he talked to me (What did he say?)  
He told me that I ought to not let you just walk on me  
Well I'm sure that he meant well, yeah but when that talk was through  
I said brother if you only knew, you'd wish you were in my shoes  
You could keep on using me (keep on using me)  
Until you use me up  
Yeah baby, until you use me up, hey, hey  
Sometimes it's true you really do abuse me  
Oh, you get me in a crowd of high class people  
And you act real nasty to me  
I said, baby, baby, baby, when you love me, I can't get enough  
I want to spread the news that if it feels this good getting used  
You can keep on using me (keep on using me)  
Until you use me up  
Yeah, baby, until you use me up, now baby  
Until you use me up
