

# Deep River

[Bobby Womack](#)

Deep river, my home is over Jordan  
Deep river, you know I got long to stay here  
You know I got long to stay here  
My ... calling down the thunder  
From this land ...just wait for me  
Just wait, swimming the oceanI make it love for you baby  
Deep river, oh, I over drown  
Deep river, I want to cross over into camp-ground.  
You want I want to cross over into camp-ground.
