

# Ray of Light

## Madonna

Zephyr in the sky at night, I wonder  
Do my tears of morning  
Sink beneath the sun  
She's got herself a universe, gone quickly  
For the call of thunder  
Threatens everyone  
And I feel like I just got home  
And I feel  
And I feel like I just got home  
And I feel  
Faster than the speeding light, she's flying  
Trying to remember  
Where it all began  
She's got herself a little piece of heaven  
Waiting for the time when  
Earth shall be as one  
And I feel like I just got home  
And I feel  
And I feel like I just got home  
And I feel  
Quicker than a ray of light  
Quicker than a ray of light  
Quicker than a ray of light  
Zephyr in the sky at night, I wonder  
Do my tears of mourning  
Sink beneath the sun  
She's got herself a universe, gone quickly  
For the call of thunder  
Threatens everyone  
And I feel...  
Quicker than a ray of light, then gone for  
Someone else will be there  
Through the endless years  
She's got herself a universe  
She's got herself a universe  
She's got herself a universe  
And I feel  
And I feel  
And I feel like I just got home  
And I feel  
Quicker than a ray of light  
She's flying  
Quicker than a ray of light  
I'm flying
