

# Never Alone (feat. Lady Antebellum) [Bonus Track]

Jim Brickman

May the angels protect you  
Trouble neglect you  
And heaven accept you when its time to go home  
May you always have plenty  
Your glass never empty  
And know in your belly  
You're never alone  
May your tears come from laughing  
You find friends worth having  
With every year passing  
They mean more than gold  
May you win but stay humble  
Smile more than grumble  
And know when you stumble  
You're never alone  
Never alone  
Never alone  
I'll be in every beat of your heart  
When you face the unknown  
Wherever you fly  
This isn't goodbye  
My love will follow you stay with you  
Baby you're never alone  
Well I have to be honest  
As much as I wanted  
I'm not gonna promise the cold winds won  
So when hard times have found you  
And your fears surround you  
Wrap my love around you  
You're never alone  
Never alone  
Never alone  
I'll be in every beat of your heart  
When you face the unknown  
Wherever you fly  
This isn't goodbye  
My love will follow you stay with you  
Baby you're never alone  
May the angels protect you  
Trouble neglect you  
And heaven accept you when its time to go home  
And when hard times have found you  
And your fear surrounds you

Wrap my love around you  
You're never alone  
Never alone  
I'll be in every beat of your heart  
When you face the unknown  
Wherever you fly  
This isn't goodbye  
My love will follow you stay with you  
Baby you're never alone  
My love will follow you stay with you  
Baby you're never alone
