## **Gone Sovereign**

## **Stone Sour**

No one's laughing now No one's laughing now I'm sullen and sated

And you can't put a price on meI won't share this disarray

I won't pull these hands away

I need to be chosen and my God, don't pray for me!

So scatter all my ashes when I'm deadAnd shatter every legend in my head

If only the committed will survive

Is anybody here still left alive?

THIS IS MINE!

Come no further

You'll go to far!I'm running 'round in circles once again

If you can't forgive me

I won't take it very hard

But I won't make it easy in the endSo scatter all my ashes when I'm dead And shatter every legend in my head

If only the consented will surviveIs anybody here still left alive?

THIS IS MINE!

THIS IS MINE!

Yeah!

So scatter all my ashes when I'm dead And shatter every legend in my head If only the committed will survive Is anybody here still left alive?

THIS IS MINE!

MINE!

MINE!

MINE!
