

# Do What You Want

Billy Preston

Preston People, around the world say I'm bitter  
But I can say I'm not a quitter (ha ha ha ha)  
And you can't  
And people  
No... they don't apologize  
That why we have to advertise in the paper I can't make you stop and listen that won't save you.  
I can't believe  
Everybody wants to party all night long until the birds are singing  
So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Then your going to be free  
People  
Don't you know it's not polite  
To point and stare  
No... it's no the way to show you care  
About the way you live, but I bet you don't give a...  
And people  
You've got to give it up with gratitude  
But you only did it cause I told you to  
(ooh) Well too bad  
So sad  
Hope I didn't make you mad I can't make you stop and listen that won't save you.  
I can't believe  
Everybody wants to party all night long until the birds are singing  
(and the birds are singing)  
So do what you want to do  
Be what you want to be  
Live how you want to live  
If you want to be free  
Then your going to be free  
So say what you want to say  
Hear what you want to hear  
Live how you want to live  
If you want to be free  
Then you're going to be free I can't make you stop and listen that won't save you.  
I can't believe  
Everybody wants to party all night long until... (birds are singing)  
So do what you want to do  
Be what you want to be  
Live how you want to live

If you want to be free  
Then your going to be free  
So say what you want to say  
Hear what you want to hear  
Live how you want to live  
If you want to be  
Then you're going to be free  
If you want to be  
Got to be  
Have to be  
Free
